

Scooter bole toh **ACTIVA**

ACTIVA 125

Meet the smarter Activa 125. With a sharp TFT meter and Honda RoadSync App, stay connected to navigation, calls, messages, music, and weather—effortlessly, anytime.

Smart Key

With **H-Smart** Technology

The Honda Smart Key, powered by H-Smart technology, enhances your Activa 125 experience from the moment you unlock it, offering a range of features designed for ultimate convenience.

Smart FIND

Searching for your ride in a crowded parking lot or low-light conditions can be frustrating and the answer back feature solves it.

Smart SAFE

Your Activa 125 stays secure, even when you're not around.

Smart UNLOCK

No need to fumble for your key—Honda Smart Key makes unlocking effortless.

Smart START

Start your Activa 125 without even taking the key out of your pocket!

TFT Screen Display

The 10.67cm (4.2") TFT display offers a top-tier meter with exceptional visibility in both day and night. It provides clear visuals from various angles, ensuring high image quality. The screen also comes with three adjustable brightness levels for optimal viewing.

Honda RoadSync

The Honda RoadSync App connects your smartphone to your Activa 125 via Bluetooth, allowing you to use key functions like navigation, calls, texts, and music without disrupting your ride.

Manage messages
via voice commands

Get real-time weather updates
for any location

Make or manage calls
right from your Activa

Reach anywhere via
turn-by-turn navigation

Control music
on your fingertips

Steps to Connect Honda RoadSync

Step 1: Download and Set Up

- Install the Honda RoadSync app from your app store.
- Grant all required permissions.

Step 2: Connect Your Device

- Allows access to the app.
- Select model & set up Bluetooth with handle switch.

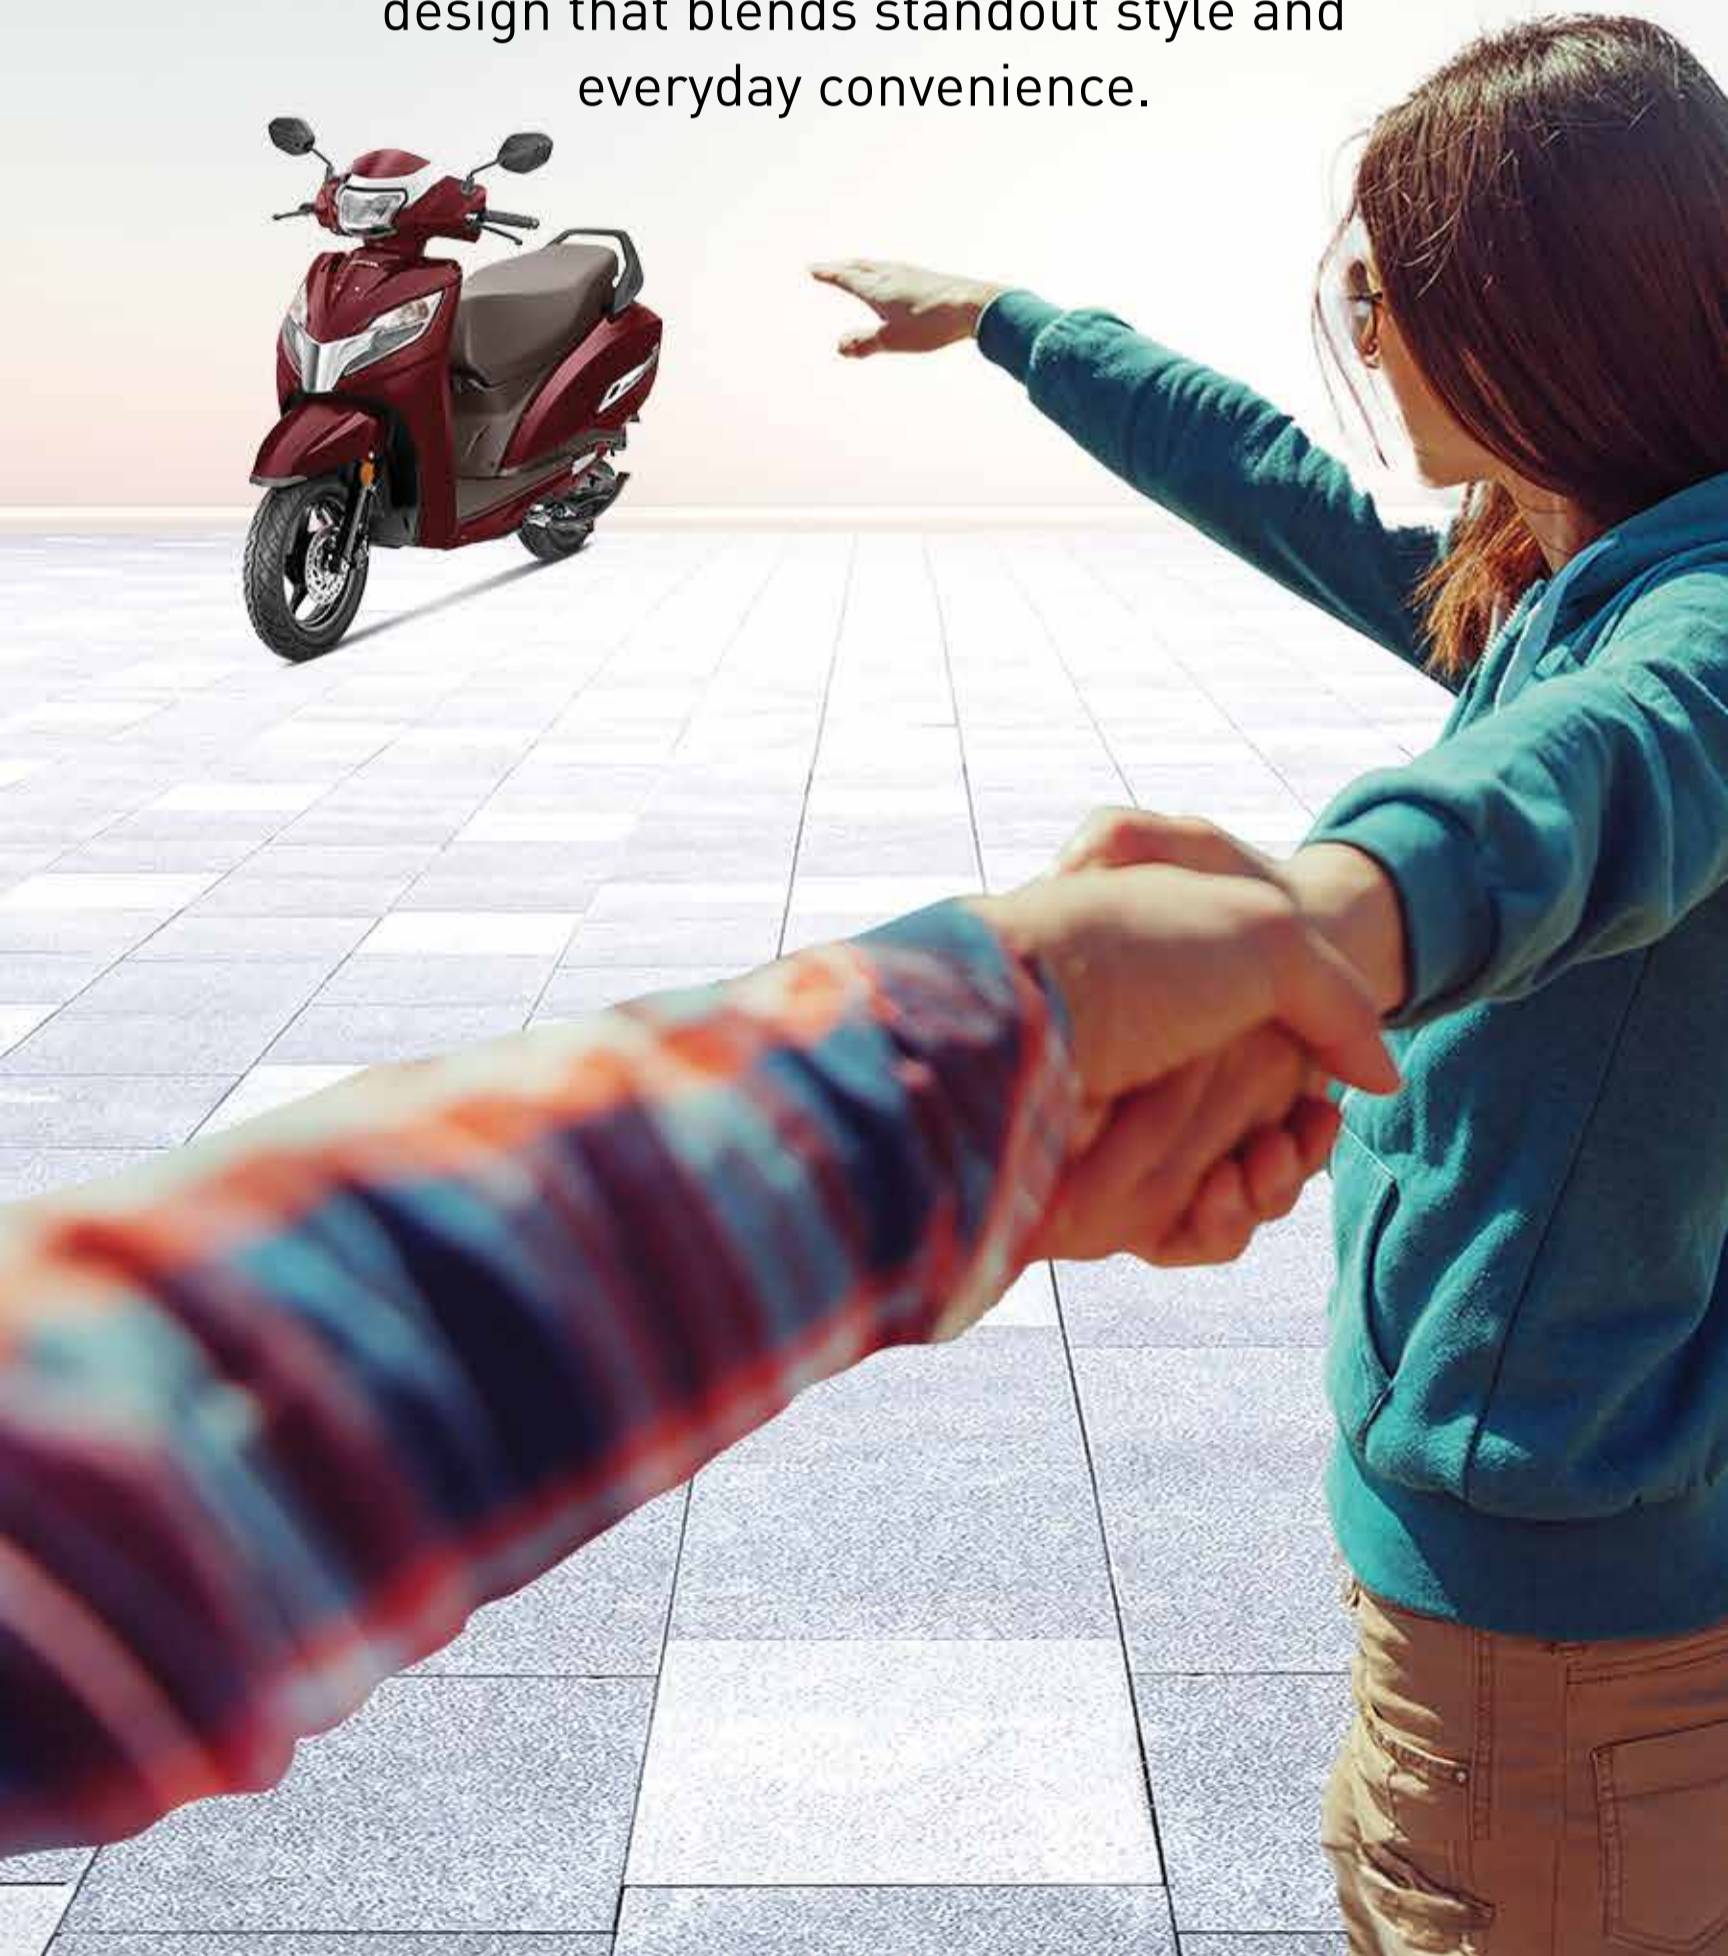

Step 3: Pair and Sign In

- Pair your device with the app.
- Log in using your preferred account.

Smart Design, Stylish Presence.

Turn heads wherever you go with a design that blends standout style and everyday convenience.

LED Headlamp and Signature LED Position Lamp:

The striking LED headlamp and signature position lamp enhance Activa 125's stylish appeal.

Multi-Function Switch Unit:

Iconic blue back-lit knob and compact switch: Combining style, safety, and effortless convenience.

Brown Seat and Inner Panel:

The brown colour adds a sophisticated, premium feel, and enhances its visual appeal.

Striking Tail Lamp:

The bold X shaped design of the tail lamp catches attention and leaves a lasting impression.

Advanced Idling Stop System:

Say goodbye to fuel wastage with the new Advanced Idling Stop System, that automatically switches the engine off during brief stops.

15W USB-C Port:

Enjoy your ride. It provides charging to your smartphone, power bank, earphones on the go.

Premium Chrome Stroke on Side Panel:

The Activa 125 logo is elegantly carved on the side panel with chrome detailing, adding a premium touch.

Double Lid External Fuel Fill:

Stay seated and refuel with ease, thanks to the convenient double-lid fuel access.

Open Glove Box:

A spacious open glove box provides additional storage for essentials.

Smart Technology

Packed with cutting-edge smart features, the Activa 125 is built with the latest technology to enhance your riding experience. Here's what makes it stand out.

Experience world-class technology that minimizes friction and boosts combustion for unmatched performance and fuel efficiency.

Powerful 125cc Engine:

Delivers top-tier power and acceleration for an exhilarating ride.

Silent Start with ACG:

Enjoy smooth, silent starts with the ACG starter, which reduces gear noise and cuts down on maintenance.

The intelligent PGM-FI system optimizes air-fuel ratios for superior performance, fuel savings, reliable starts in any weather, and lower emissions.

Smart Mileage Indications:

The Activa 125 features a digital meter to monitor fuel consumption, efficiency, and remaining distance during your ride.

Real-Time Mileage

It displays live fuel efficiency throughout the ride.

Average Mileage

It displays overall fuel consumption during the trip.

Distance To Empty

It displays the distance you can travel with remaining fuel in the tank.

Eco-Indicator

Tracks real-time driving conditions to maintain fuel efficiency on a real-time basis.

Reliability & Comfort

With Honda's trusted legacy,
the Activa 125 ensures a smooth, dependable,
and comfortable ride.

Side Stand Engine Cut Off:

Side stand engine cut off prohibits the engine from starting, when the side stand is open.

Telescopic Front Suspension and Front Disc Brake:

Telescopic front suspension makes every ride comfortable and disc brake provides control & confidence during quick stops.

Fuel-Efficient Tubeless Tyres:

Enhanced grip, better mileage, and safer rides with Honda's advanced technology.
