Driving Zero Boundaries: Honda's Path to a

Sustainable Future

We at Honda are committed to achieving zero environmental impact by 2050 through our Triple Action to ZERO initiative: carbon neutrality, clean energy, and resource circulation. We are advancing global electrification, enhancing resource recycling, and leveraging 100% carbon-free energy. By implementing Life Cycle Assessment (LCA), our goal is to reach net zero CO2 emissions and establish carbon-neutral operations worldwide.

INTRODUCING

ACTIVA e:

Electrify up your ride with the all-new Activa e:, where cutting-edge design meets dynamic electric performance. With innovative Honda e: SWAP Technology, you can swap batteries within a minute and keep moving, no matter where the road takes you.

Bold, and eco-friendly, the iconic Activa e: is built for the future.

The Activa e: is more than just a ride-it's a revolution.

Electrify Your Dreams

Styling

Redefine your style with sleek, modern sophistication.

Sophistication redefined
A design that captivates at every glance.

Stylish LED lighting
Enhancing style while ensuring safety in low visibility.

Smart rear design
Energy-efficient LEDs paired with a strong and sturdy grab-rail.

Streamlined elegance*
Clean edges and refined design for a polished finish along with body colour mirrors.

*Body colour mirrors are part of optional accessories.

Diamond-cut alloys
Premium style meets a smoother, more refined ride (for both rear and front).

Technology

Seamless innovation for modern mobility.

Honda e:SWAP

Swap easy. Ride easy.

» Swap within a minute at your nearest **Honda e: SWAP station** for fully charged batteries.

» No worries about charging the battery, just swap & ride in style.

» **Honda e: SWAP** takes care of battery maintenance, so you don't have to.

Honda
RoadSync Duo®

Activa e: Honda RoadSync Duo® App Stay Connected, Ride Effortlessly

The Activa e: Honda RoadSync Duo® App unites your smartphone and Activa e: for a seamlessly connected ride.

Navigate*
Easily find your way with reliable navigation.
